

We have entered the "Infection Alert Period"

In Hyogo Prefecture today, 24 newly infected people have been confirmed, which turns out to be 10.7 people in moving average over the past 1 week. We have entered the "Infection Alert Period".

Because of the above-mentioned situation, based on the response scenario, we came to a decision for the immediate medical care system and restrictions on social activities.

We strongly request the citizens of prefecture to observe the followings.

[To the citizens of the prefecture]

- Please refrain from unnecessary and nonurgent traffic to and from densely populated areas such as Tokyo or other areas where infections are re-expanding.
- Please refrain from entering the restaurants that provide entertainment or serve alcoholic drink but do not comply with the infection spread prevention guidelines.
- Please also register on and use the "[Hyogo Prefecture New Corona Tracking System](#)".
- Please incorporate the new Hyogo lifestyle: Avoid 3Cs (Closed spaces, Crowds, and Close contact), Wear a sanitary mask with consideration of heat stroke, etc.

[To business operators]

- Thorough implementation of infection prevention measures based on [the infection spread prevention guidelines](#) for [each industry](#).
- Please post the "[Infection Prevention Measures Declaration Poster](#)".
- Please comply with the infection spread prevention guidelines, especially at the restaurants that provide entertainment, such as "Bars" and "Clubs" or that serve alcoholic drink.
- In case your employees have even a slight symptom, please contact the local public health institute and have them undergo medical examination.
- Please register on "[Hyogo Prefecture New Corona Tracking System](#)", and display its QR code.

[For students and young people]

- Please be careful when dining with a large number of people. Please refrain from using stores that do not take infection control measures.
- Please avoid loud conversations while eating or drinking or sharing a drinking glass or bottle.
- Please avoid using restaurants that do not take infection prevention measures.
- Please also register and use the “[Hyogo Prefecture New Corona Tracking System](#)”.

We would like all citizens of the prefecture and businesses to continue working on the “[Hyogo Style](#)”, and we ask for your understanding and cooperation in efforts to prevent the spread of infection.
